Superintendent Search

Parent Input Session

The Board of Education invites you to attend our

critical issues input session

to gather information to be used to set criteria for the background, training and experience necessary for our new Superintendent of Schools. Our NJSBA Consultant will provide information on the search procedure, the roles played by the Board, the staff, parents and the public in the process, and the calendar for the actual search.

Discussion will center on the strengths, concerns, on-going issues and future initiatives that will face our new Superintendent. Information gathered, together with input from other focus groups, will be used to shape a variety of candidate review documents and the interview questions.

Please plan to attend!
